

Monique diMattina – Short bio

Monique diMattina is an Australian pianist/composer and singer/songwriter working in many genres and formats.

Monique's most recent album, TIDES (Feb 2021) is her third solo piano release.

She has also released three jazz/pop/roots albums as singer/songwriter.

Monique is known for writing bespoke songs on air to listener requests (ABC /TripleR) and for her compositions for film/stage. She has lived in NYC and Melbourne, and has been the recipient of many prizes including Fulbright, Queens Trust and Australia Council awards.

Monique teaches at the VCA (Melbourne Conservatorium of Music) and Monash University jazz departments and is a Yamaha artist.
